### **Does this policy still meet your needs?**

Your requirements may change over time, so you may benefit from reviewing the current sums insured, limits of indemnity and the level of cover under your policy to ensure it remains sufficient for your needs. Contact your insurance advisor or us to discuss any changes that you need.

### **Notes applying to renewal of your policy**

1. It is your responsibility to take the necessary action to renew your policy before the renewal date to ensure that you remain covered. Contact your insurance advisor or us if you have any questions about the renewal of your policy.
2. a) If you pay your premium annually then payment must be made to your insurance advisor or us before the renewal date. No obligation rests on us to accept the premium if paid after the renewal date.  
b) If you pay your premium by instalments to us, no action is needed if you intend to renew the policy. If you decide not to renew your policy, please cancel the direct debit mandate.
3. You must make sure that the information provided to us for this policy is, and will continue to be accurate and not misleading and is a fair presentation of the risks we are accepting. In respect of the policy renewal, this includes any changes occurring during the last period of insurance. If any of the information you provide is not accurate or is misleading, then we may reduce the amount we pay for any claim, or in some cases, make no payment at all, cancel your policy and keep the premium. You should keep a record (including copies of letters) of any information you give to your insurance advisor or us when renewing the policy.
4. If in between the time of the issue date of this document and the renewal date, you suffer a loss, damage or any other incident that gives rise to a claim, then we retain the right to alter or withdraw the terms of the renewal.
5. a) Your last declared income and wage roll figures are shown in the enclosed schedule and Statement of Facts. If these figures have changed by more than 10%, please inform your insurance advisor or us as it may be necessary to reassess your renewal terms.  
b) We may require you to complete a declaration form in advance of your renewal date and this must be returned to your insurance advisor or us by the date stated on the form, otherwise a premium loading may be applied.
6. You may have difficulty obtaining the cover you currently have should you decide to cancel or not renew your policy, for example if your premises are in an area prone to flooding or subsidence.

### **Important Reminder**

Throughout your policy there are special requirements which are aimed at reducing the risk of loss, damage or liability. If you do not keep to these requirements we will not pay for claims (unless we agree otherwise). Please make sure you comply with any requirements that apply to you.

## NOTICE TO POLICYHOLDERS

### Important - Cyber updates to your policy wording

Please note that from the policy inception, or the first renewal date of your policy, on or after the 1st January 2022, we need to make some changes to your policy. In this notice, we explain these changes and the reason for them.

Before renewing your policy, please make sure that the cover provided meets your needs. By continuing to insure with us you accept these changes and they will form part of your policy on renewal.

If we have made further changes to your policy there may be other notices that apply, please read these in addition.

We recommend that you keep this notice with your schedule and policy booklet.

### Summary of changes

#### Infectious Disease and Cyber Loss (Property) General Exclusions

When property insurance policies were developed, computer and cyber risks were rare or did not exist; therefore no specific exclusionary language was necessary at that time. As computer technology has evolved, allied with the growth of the internet and connectivity, exposure to cyber events has increased significantly.

As cyber risks have not been insured by standard property insurances, premiums have never included such cyber risks. To cater for these new risks specific Cyber insurance covers have been developed (please ask us or your broker for details).

Following improved clarity and contract certainty in the reinsurance market as regards cyber risks, we are providing similar clarification under your policy through an additional General Exclusion 'Cyber Loss (Property)' now added to your policy.

Previously, the 'Infectious or Communicable Disease' general exclusion was shown in the schedule under endorsement 324. This endorsement has been deleted and replaced with endorsement 330 'Infectious Disease and Cyber Exclusions and Data Protection Extension Limit', shown in the schedule. The terms, conditions and exceptions of the Infectious or Communicable Disease general exclusion are unchanged.

#### Cyber - Liabilities

As computer technology and internet usage has evolved, the risk of exposure to cyber events has increased significantly. It was never envisaged that liability policies would need to respond to these risks. There are specific Cyber policies available in the market that include cover for Cyber liability (please ask us or your broker for details).

## NOTICE TO POLICYHOLDERS

### Important - Cyber updates to your policy wording

Continued...

#### **Cyber - Liabilities**

Following improved clarity and contract certainty in the reinsurance market as regards cyber risks, we are providing similar clarification under your policy through a new endorsement that has now been applied to various liability sections and will appear on your policy schedule.

The sections affected are those covering Public and Products Liability, Employers' Liability, Professional Indemnity and Trustees' and Directors' indemnity.

In this notice we provide a summary of these changes.

**Please note that not all policies will include all the sections listed, or you may have chosen not to include a particular section that is available, please see your schedule for the sections that apply to you.**

#### **Public and Products Liability**

"Cyber act" and "Cyber incident" are excluded. However, the exclusion does not apply to claims arising from legal liability for bodily injury to third parties or physical damage to third party property, and liability that arises under the Data Protection extension of the section.

The Data Protection extension to your section will now be subject to a limit of £1,000,000 for all claims in the period of insurance.

#### **Employers' Liability**

"Cyber act" and "Cyber incident" are excluded. However, the exclusion does not apply to claims arising from legal liability for bodily injury to employees.

#### **Professional Indemnity**

"Cyber act" and "Cyber incident" are excluded. However, the exclusion clarifies that a claim for negligent acts or omissions won't be excluded simply because a computer was used in providing the professional services or advice involved.

#### **Trustees' and Directors' Indemnity**

"Cyber act" and "Cyber incident" are excluded. However, the exclusion does not apply to claims by individual insureds for their wrongful acts as trustees. The exclusion applies in full to claims by the organisation itself.

The changes above, where applicable to the policy you have chosen, are shown in the schedule under endorsement 330 'Infectious Disease and Cyber Exclusions and Data Protection Extension Limit'.

## NOTICE TO POLICYHOLDERS

### NEW GENERAL EXCLUSION: TERRITORIAL EXCLUSION (PROPERTY)

Please note that from the policy inception, or the first renewal date of your policy, on or after the 1st May 2023, we need to make some changes to your policy.

As a result of the conflict within Ukraine, changes in the property reinsurance market now requires us to add a new territorial limits general exclusion to all of our insurance products. This is to ensure contract certainty and be clear we do not provide any insurance cover to any person resident of, or any entity located in, or any property located within, the regions of Belarus (Republic of Belarus), Russian Federation or Ukraine (including the Crimean Peninsula and the Donetsk and Luhansk regions).

The new general exclusion does not apply to any liability, reputational risks or PR crisis communication, professional indemnity, trustees' and directors' indemnity, personal accident, legal expenses, or cyber cover sections where available under the policy you have chosen.

The new general exclusion will not apply if we are required to provide such cover by action of the law or regulation. In such circumstances if the policy you have chosen has a policy general condition for 'Sanctions', this general condition will continue to apply.

This clarification is shown as an additional policy general exclusion for 'Territorial Exclusion (Property)', now added to your policy. Please see endorsement 340 Territorial Exclusion (Property) - General Exclusions, shown in your policy schedule.

- **policyholder** becomes aware of a possible **claim**, the **policyholder** shall notify **us** as soon as is reasonably possible.

b) If the **claim** relates to, or includes, any allegations or proceedings made against the **hirer**, or any person who is entitled to indemnity under this extension, the **policyholder** and the **hirer** shall:

- provide a statutory declaration of the truth of the **claim**.

**We** will not deal with, continue to deal with or pay, any **claim** if the **policyholder** or the **hirer** fail to comply with any part of this condition where such failure adversely affected **our** liability for, or the amount of, any **claim**. Any payment on account of a **claim** already made by **us** shall be repaid to **us**.

6. CLAIMS PROCEDURE (OUR RIGHTS)

- settle any liability **claim** by payment of the indemnity limit (less any sum or sums already paid or incurred) or any less amount for which, at **our** discretion, the **claim** can be settled. **We** will then relinquish control of the **claim** and be under no further liability
- at any time, and at **our** expense, to:
  - i. start, take over, defend and conduct any legal action in the name of the **hirer**

General Conditions for Hirers' Public Liability Extension

### 7. OTHER INSURANCE

If at the time any **claim** arises under this extension the **policyholder** or the **hirer** is, or would be, but for the existence of this extension, entitled to cover under any other insurance, **we** will only pay for any additional amount beyond the amount which would have been payable under such other insurance had this extension not been effected.

### 8. ARBITRATION

Provided **we** have admitted liability for a **claim**, any unresolved dispute as to the amount to be paid shall be referred to arbitration in accordance with the statutory provisions in force at the time to:

- an agreed arbitrator, or if an arbitrator cannot be agreed
- an arbitrator appointed by the Chartered Institute of Arbitrators following a request from either party provided they have given seven days written notice to the other party.

The **policyholder** must not take legal action against **us** over the dispute before the arbitrator has reached a decision.

### 9. SANCTIONS

**We** shall not provide any cover under this policy or be liable to pay any **claim** or provide any benefit to the extent that the provision of such cover, payment of such **claim** or provision of such benefit would expose **us** to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom or United States of America.

If any such sanction, prohibition or restriction takes effect during the **period of insurance you** or **we** may cancel that part of this policy which is affected with immediate effect by giving such notice in writing.

In such circumstances, **we** shall return a proportionate premium for the unexpired period of cover provided no **claims** have been paid or are outstanding.

**ENDORSEMENTS**

**46 LONG TERM UNDERTAKING**

A discount of premium has been allowed in consideration of **you**, having an agreement with **us**, to offer annually for three years the insurance provided by this policy on the terms in force at the expiry of each **period of insurance** and to pay the premium, including all insurance premium tax, annually in advance or, with **our** agreement, by instalments.

This agreement applies to any policy(ies) that **we** may issue in place of this policy and the same discount will be allowed from the corresponding premium on the replacement policy(ies).

The expiry date of the current Long Term Undertaking is shown in the policy schedule.

Payment of the premium at the renewal date immediately following the expiry of the current agreement, shall be deemed acceptance by **you** of:

- the continuation of the agreement for a further three years, in line with the original agreement, and
- the terms, conditions and exceptions of this policy.

Provided that:

- a) **we** may end this agreement or amend the premium or change the terms, conditions or exceptions of this policy where:
  - i. there is any alteration described under the policy General Condition for Alteration of Risk, or
  - ii. changes in legislation or material legal precedents are established by any court of law, or
  - iii. material changes in reinsurance protection are imposed on **us** by reinsurers or the availability or cost of reinsurance to **us** changes
- b) this agreement does not apply to any section or part of a section providing Cyber, Equipment Breakdown, Legal Expenses or Terrorism,
- c) **we** shall be under no obligation to accept an offer to renew this policy made in accordance with this agreement, and
- d) the sums insured may be reduced at any time to correspond with any reduction in value or activity.

**49 DAY ONE - NON-ADJUSTABLE (PROPERTY DAMAGE)**

The following policy definition is added:

**declared value** the cost of **reinstatement** of the **buildings** insured at the level of costs applying at the inception of the **period of insurance** (ignoring inflationary factors that may operate subsequently) plus an allowance for:

- the additional costs of **reinstatement**
- professional fees
- debris removal costs

as insured under the Fees extension to the Property Damage section of this policy

**You** have stated to **us** in writing the **declared value** of the **buildings**, as shown on the schedule, and the premium under section 14 has been calculated accordingly.

At the inception of each **period of insurance**, **you** must notify **us** of the **declared value** of the **buildings** insured.

In the absence of such declaration, **we** will index-link the last amount declared by **you** and the resulting amount shall be taken as the **declared value** for the ensuing **period of insurance**.

In respect of the buildings items shown in the schedule, the underinsurance provisions in the Claims settlement for Property Damage are accordingly deleted and replaced by the following:

**UNDERINSURANCE**

- when **reinstatement** applies:  
 if at the time of the **damage**, the **declared value** (by the item in the schedule covering the **buildings** affected) is less than the cost of **reinstatement** (of all the **buildings** to which that **declared value** relates) at the inception of the **period of insurance**, then the amount **we** will pay will be reduced in the same proportion that the said **declared value** bears to the said cost of **reinstatement**.
- when **reinstatement** does not apply:  
 if at the time of the **damage**, the **declared value** (by the item in the schedule covering the **buildings** affected) is less than the total cost of rebuilding (all the **buildings** to which that **declared value** relates) at the inception of the **period of insurance** to a condition that is equivalent to, or substantially the same as, but not better or more extensive than its condition immediately prior to the **damage**, then the amount **we** will pay will be reduced in the same proportion that the said **declared value** bears to the said total cost of rebuilding.
